**2025 Impact Review**

**Delivering Hope, Serving with Purpose**

# Executive Summary

2025 was a year of significant growth, faith, and measurable impact for Courier Missions. Through the generosity of our partners, churches, and individual donors, we started our ministry efforts in Kenya and began laying the groundwork for future outreach in the United States. Together, we met urgent physical needs, strengthened local churches, equipped leaders, and shared the Gospel with thousands.

This year affirmed our calling to serve holistically—combining humanitarian aid with discipleship and sustainable development. As we look ahead, the foundation built in 2025 positions Courier Missions for even greater impact.
